

# LED Bulkhead

- Long service Life ( $\geq 50,000$ hrs)
- Energy Saving
- Reduced Maintenance
- Same footprint as 8W
- Maintained & Non-Maintained
- Constant Light Output

Self Contained Emergency LED Bulkhead Luminaire, suitable for replacing 8w T5 fluorescent self contained bulkheads.

Can be used as Maintained or Non-Maintained Luminaire. Low power consumption (4watts), high lumen output (300Lm), constant light output throughout life of the luminaire with minimal required maintenance. Low running temperature, suitable for use at low temperatures. IP65 rated body. Same footprint as standard 8W fluorescent bulkhead so ideal as replacement luminaire.
